PRODUCTS THAT ARE VALUE FOR MONEY

About Us

Pragati Accessories Pvt. Ltd. is located in Noida Industrial Area, Uttar Pradesh, India. A fast growing company into manufacturing and exports of Bathroom Fittings, Oral Care Products under strict Quality control.

We specialise in plastic moulded and other allied products which are manufactured with state of art technology using moulding machines from Japan, USA and Taiwan to ensure our customers quality products at the most competitive prices.

Our managing director, Mr Ramesh Wadhwa started the journey with modest undertakings, and today is a proud owner of Brands **Continental (bath fittings) and Care (oral care products).** Products manufactured are either private label brands or sold under our in-house brands - CONTINENTAL and CARE.

Our products are consistently monitored for the best place in the Indian Markets and overseas with added value and a strong network with years long distributors/dealer connections. Our dream is to make personal Hygiene known and utilised in the most convenient ways possible.

Continental Bath Fittings is progressively focused, keeping in mind, innovation and technology with creating a wide variety of products designed for better health and hygiene every day.

Our Bathroom products have been approved and installed by some of the leading groups such as DLF, ATS group, Ansal group, Eros, EMMAR, Hero Homes, Gaursons India, Eldeco, TDI, Raheja developers, Ashiana group, Supertech, Bestech, Wave group, CHD developers, Antriksh group, Panchsheel group, Sun World, Logix group, M3M, Orris group, Jaypee group, Migsun group, Radha Built Tech, and many more.

In that respect, we are well-aware of the responsibility and feel the duty to carry our experience and knowledge to young generations at every opportunity and to accompany them in this transformation. Therein, we would like to express in particular that we will continue to work with the same discipline and concentration to make the maximum contribution to our country's economy with our team and all employees.

Quality & Environmental Policy

We are committed to produce and supply quality products to our customers in India and abroad. We strive to give our customers the best value for their money while continuously improving the quality of our products, processes and service delivery system in line wih our vision.

Our overall quality objective is to continually improve customers and suppliers satisfaction through understanding their needs and expectations.

We are committed to create safe environment for our people, products and society by preventing pollution and by complying with the regulatory requirements related to environment.
