The faucets are enabled with quarter-turn and half-turn control that are tested to last for over 5,00,000 operations. Each faucet comes with its respective equipment for attachment such as washers, pipes, flanges, etc. From plain and simple bib cocks and pillar cocks to luxurious L bends, swivel spouts, 5-way diverters, sensor faucets, LIPKA is home to all varieties of faucets you could look for. Suitable for washbasin and sinks whether, in bathrooms or kitchens, these faucets are meant to undoubtedly accomplish all your needs with the added advantage of easy maintenance.
