TILES & SUSTAINABLE BEAUTY

A work of art on the floor and walls

Roca Tile Group is the division of Roca Corporacion Empresarial, S.A. dedicated to the production and commercialisation of ceramic floor and wall tiles. Created in 1979, it applies the same philosophy of respect for the environment along with an intense passion for design and quality. Roca Tile Group has been Spain's largest tile making company since 1999.

A leading ceramic tile brand, Roca offers the most avant-garde ceramic tiles in the market to decorate any space with the latest in European trends. With its state-of-the-art technology, Roca produces tiles that reproduce nature to perfection: stone, rock, sand, wood and metal; to create picture perfect scenery in any residential or commercial setting, whether indoor or outdoor, rustic or minimalist, allowing you to create different, personal spaces.
